Loxley Door Collection

ICONIC STEEL-LOOK INTERNAL DOORS

More than a Door

THE VIBE AND THE VISION

Whether you're zoning an open-plan space, framing a private sanctuary, or adding architectural drama to a hallway, our Loxley Doors bring luxury living into every frame.

Every detail has been crafted to deliver that perfect balance of modern minimalism and high-end sophistication, transforming everyday spaces into statement rooms. Sleek profiles, flawless finishes, and precision glazing create a look that's as elegant as it is effortlessly cool.

IN A NUTSHELL:

We specialise in bespoke luxury steel-look aluminium internal doors, designed with the quality and craftsmanship you'd expect from a brand built for the future.

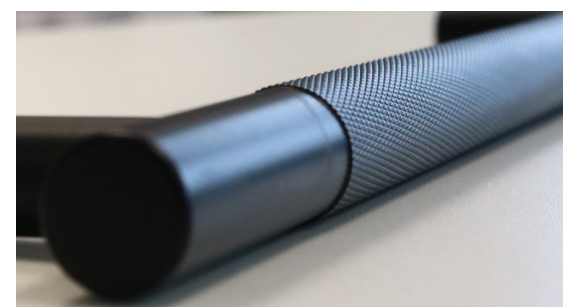

DOUBLE DOOR

Invite light to flow freely, whether opened wide for spacious living or closed to define a more intimate space.

KEY FEATURES

- A range of double door design options
- Made to measure, custom sizes
- A wide range of different glass designs
- Lightweight and cost efficient compared to steel
- Low maintenance
- Stunning handle options

HANDLE YOUR AESTHETIC

The right handle changes everything. It's the detail that ties a space together and brings personality to every touchpoint. Whether you lean towards a bold, tactile knurled finish or prefer the refined texture of reeded detailing, our handle options let you express your style with confidence.

Find your perfect match on page 19.

Hinged Double Door featuring L02 glass design (see page 18)

Hinged doors

Double doors create a wide, open threshold that instantly makes rooms feel larger, brighter, and more connected. They offer the freedom to open up two spaces into one for entertaining or everyday flow, then close them to define separate zones when needed.

Hinged doors

SINGLE DOOR

A single-hinged door offers a clean, versatile solution that is perfect for hallways, office, or as an elegant transition into any room.

KEY FEATURES

- Wide range of design options
- Made to measure, custom sizes
- Integration with different glass designs and hardware options
- Lightweight and cost efficient
- Low maintenance

GRIP WITH STYLE

The choice of handles can make all the difference to your Loxley hinged door.

See our glass range on page 18

SINGLE DOOR

A bold twist on classic glazing, the L11 design features a striking band of green opaque glass that brings a pop of colour and personality to the sleek black frame.

Loxley Hinged single door shown with L03 glazing style (see page 18)

DOUBLE DOOR WITH DIAMOND GLAZING DESIGN

A striking double-hinged door featuring the L10 diamond-shaped glazing bars that create a sculptural, geometric statement. The slim black aluminium frame and elegant brass handles balance strength with artistry, allowing light to flow freely while adding a sense of luxury and drama to the space.

Explore more stunning glass design options on page 18.

Sliding doors

Loxley sliding doors can be configured to suit any design theme, from traditional to minimalist and contemporary to industrial.

KEY FEATURES

- Wide range of design options
- Made to measure, custom sizes
- Integration with different glass designs and hardware options
- Lightweight and cost efficient
- Low maintenance

(see page 18)

Sliding doors

The Loxley sliding door isn't just about dividing rooms, it's about redefining how they flow. Sleek, seamless and quietly confident, it opens up space without stealing it, letting light travel effortlessly while keeping the vibe connected.

Pivot doors

A pivot door that rotates on a pivot hinge, a super stylish alternative to our hinged door range.

KEY FEATURES

- Ideal for grand entrances
- Choose either central or offset pivot
- Sophisticated design options
- Made to measure, custom sizes
- Integration with different glass designs and hardware options
- Lightweight and cost efficient
- Low maintenance

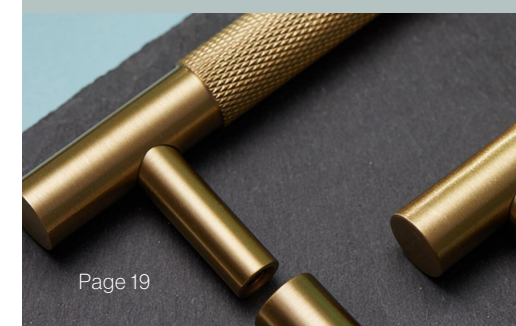

PIVOT DOOR

Pivot doors are more than just functional, they are a design feature in their own right. Popular with architects and interior designers, the motion of a pivot door is elegant and architectural. It instantly adds sophistication and intrigue to internal spaces.

THE EDGE IS IN THE HANDLE

Choose the finishing touch that will transform your loxley pivot door.

WHERE TO USE A PIVOT DOOR

- **From entry hallway to living room**
Frame your flow and keep the energy open while softening sound and light.
- **Daily rituals from kitchen to pantry**
Give your practical space some personality with a design-led, architectural moment.
- **Lounging to working**
Stay connected from your office with privacy that still feels part of the room.
- **From bed to beyond**
Create a seamless transition from your bedroom to dressing area or ensuite bathroom.
- **Meet in the middle**
Wherever your new build and old walls come together.

Slide and Stack doors

ULTRA
SLIM

SLIDE AND STACK DOOR

Classic and simplistic glazing, the L12 design features slim, precise lines with a balanced grid pattern that adds subtle structure without overwhelming the overall design.

Designed for fluid, flexible living, the slide and stack-style doors redefine how spaces connect. Their slim aluminium frames and expansive glazed panels glide open effortlessly, stacking neatly to one side.

When open, they dissolve the boundaries between rooms, creating a seamless flow of space and light. When closed, they bring definition and quiet separation,

without blocking the natural brightness that makes interiors feel alive.

KEY FEATURES

- Slide and stack design
- Made to measure, custom sizes
- Integration with different glass designs and hardware options
- Lightweight panels
- Low maintenance

Glass designs

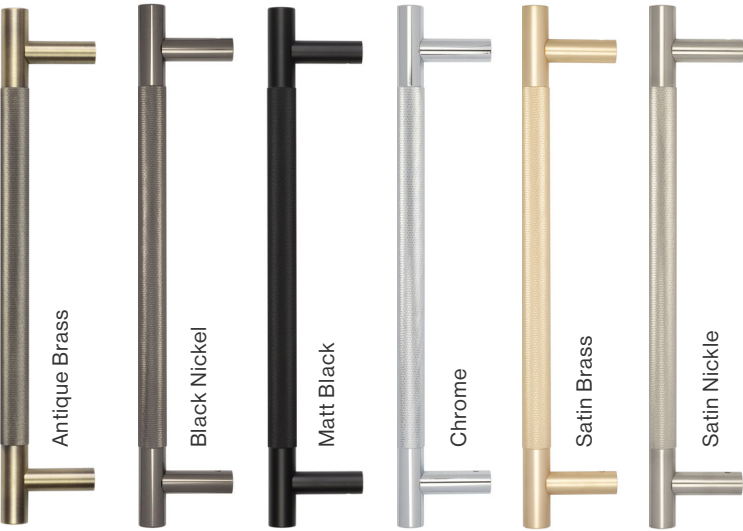

Glass is where the Loxley story really shines. From clean lines to bold geometrics, our glass designs turn every door into a statement piece. Whether you're chasing light, playing with pattern, or keeping it minimal, there's a style here that frames your space your way. Think of it as the final layer of personality with all designs available in clear glass or obscured.

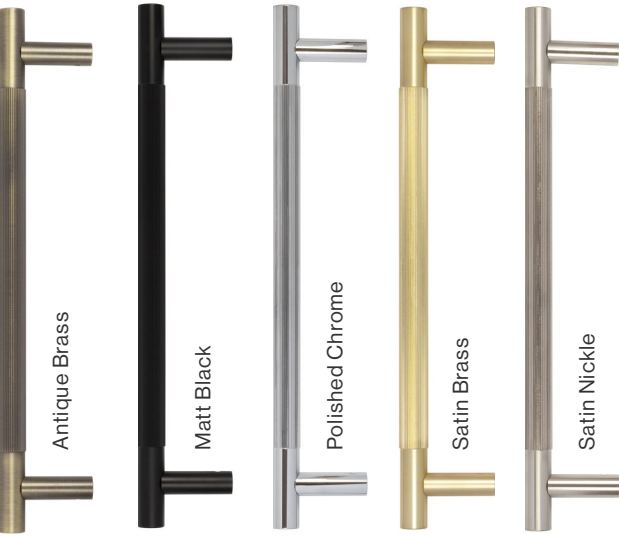

Hardware options

Every detail matters, and with Loxley doors it starts at the handle. More than a finishing touch, hardware is the element you see and feel every time you enter a space. Our two collections brings together modern silhouettes and refined finishes, from the depth of matt black to the warmth of antique brass - giving you the freedom to match your door to your style.
